INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper summarizes a telephone interview I had with Examiner Portner on March 2, 2004.

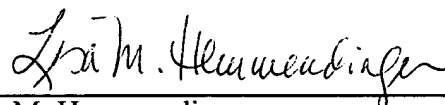

I telephoned Examiner Portner to ask whether she had yet had a chance to consider the amendment filed February 3, 2004. Examiner Portner verified that the terminal disclaimer filed April 7, 2000 was proper and that claims 40-44 were allowed. Because the remaining claims were canceled in the February 3, 2004 amendment, Examiner Portner said that the application was in condition for allowance.

Examiner Portner also told me that she had considered all the art cited in the information disclosure statement filed December 15, 1998 and would include a copy of the initialed IDS with the Notice of Allowance.

Respectfully submitted,
BANNER & WITCOFF, LTD.
